

# RadiationCAM Report

## I) SURFACE OBSERVATION

**1) Not painted aluminium surface** Write what do you observe? What is the disadvantage of such a test

**2) Black painted aluminium surface**

No response

**3) Glass surface**

No response

## II) CONTACT TEMPERATURE OBSERVATION

**1) Question 1**

No response

**2) Question 2**

No response

**3) Question 3**

No response

## III) THERMAL APPROACH OF ELECTRIC PHENOMENA

**1) Question 1**

No response

**2) Question 2**

No response

**3) Question 3**

No response

## IV) HEAT TRANSFER IN FINS

**1) Question 1**

No response

# RadiationCAM Report

## 2) Question 2

No response

## 3) Question 3 fin

No response

## V) CONCLUSION

conclusion
