

RadiationCAM Report

I) SURFACE OBSERVATION

1) Not painted aluminium surface Write what do you observe? What is the disadvantage of such a test

2) Black painted aluminium surface

No response

3) Glass surface

No response

II) CONTACT TEMPERATURE OBSERVATION

1) Question 1

No response

2) Question 2

No response

3) Question 3

No response

III) THERMAL APPROACH OF ELECTRIC PHENOMENA

1) Question 1

No response

2) Question 2

No response

3) Question 3

No response

IV) HEAT TRANSFER IN FINS

1) Question 1

No response

RadiationCAM Report

2) Question 2

No response

3) Question 3 fin

No response

V) CONCLUSION

conclusion
