

I) SURFACE OBSERVATION

1) Not painted aluminium surface

The user did not answer the question

2) Black painted aluminium surface

The user did not answer the question

3) Glass surface

The user did not answer the question

II) CONTACT TEMPERATURE OBSERVATION

1) Question 1

The user did not answer the question

2) Question 2

The user did not answer the question

3) Question 3

The user did not answer the question

III) THERMAL APPROACH OF ELECTRIC PHENOMENA

1) Question 1

The user did not answer the question

2) Question 2

The user did not answer the question

3) Question 3

The user did not answer the question

IV) HEAT TRANSFER IN FINS

1) Question 1

The user did not answer the question

2) Question 2

The user did not answer the question

3) Question 3

The user did not answer the question

V) CONCLUSION
